Dear Parents/Legal Guardians:

Another summer is quickly approaching, and that means it is time to apply for a week of fun at Texas Lions Camp! We have been preparing for the upcoming summer. For your convenience apply online at [www.lionscamp.com](http://www.lionscamp.com). Our original paper application is available as well and instructions are listed below. As always, this experience is offered completely without charge to qualifying children from the State of Texas.

While the application might appear long, all the information requested is necessary for the care of your child. It has been formatted in such a way that it is easily completed. Please use **black ink** and provide all of the information requested.

Online applications will be accepted beginning **January 3, 2018**, and paper applications will be accepted beginning **February 3, 2018**, and will be processed according to the order in which they are received. (Concerned about time? On-line applications are submitted instantly, with no mail delay.) Please submit your application no later than one month prior to the session for which you are applying. However, we will continue to accept applications after the due date until the session is full. The camper must have the physical portion of the application dated after **January 2** of the year in which they are attending camp. Faxed applications are acceptable for beginning the application process; however, ***you must mail the original application so that your child's final assignment is not delayed.***

**Please note:** Prior to April 15<sup>th</sup>, only new campers and 15 year old campers will be assigned to camps for children with diabetes. After April 15<sup>th</sup>, all campers will be assigned on a first come, first served basis.

Prior to sending your application, please check to make sure that the **Lion's signature, parent's signature, and physician's signature** have been provided and are legible. Without these necessary signatures, we cannot process your child's application. A committee will review the application and notify you and your sponsoring Lion of the status of your child's application.

- WHO:** Children with type-1 diabetes, ages 8 through 15, within the State of Texas. *Only children who are insulin dependent are eligible for assignment.*
- WHAT:** A summer camp for children who have type-1 diabetes. Campers enjoy exciting camp programs while they learn to control their diabetes by following accepted health practices. A medical staff comprised of physicians, nurses, and dieticians is located on-site.
- WHERE:** Camp is held at the Texas Lions Camp in Kerrville.
- HOW:** Parents, rather than Lions, are asked to bring and pick-up campers at closing. All campers must be accompanied to and from camp by an adult. If parents need assistance with transportation, please contact your sponsoring Lion.
- COST:** No cost to eligible campers. Sponsored and paid for by the Lions of Texas.
- GOALS:** The goal is to assist children who have diabetes in achieving maturity in a healthy, productive manner. A major objective is to teach children and adolescents more about themselves and their diabetes. In addition, the Parents' Reception aids the entire family in understanding diabetes. Additional information will be included in the assignment packet.

## Camper Code of Conduct

The purpose of the Camper Code of Conduct is to clarify expectations of camper behavior for campers, parents, summer staff, and administration at Texas Lions Camp. The primary purpose of the Camp is to provide, without charge, a camp for children with physical disabilities, Down syndrome, and type I diabetes from the State of Texas, regardless of race, religion, or national origin. Our goal is to provide an atmosphere wherein campers will learn the "Can Do" philosophy and be allowed to achieve maximum personal growth and self-esteem. The benefits a camper gains from attending camp depend on the camper's attitude toward positive participation in a camping environment and adherence to the Camper Code of Conduct. If a child's behavior detracts from the positive camping experience for him/herself or others, the child may be sent home.

Code of Conduct Objectives: Management of camper behavior at Texas Lions Camp.

1. Provide a quality camping experience for all campers and TLC staff.
2. Decrease the risk of injury to campers and staff.
3. Outline steps for management of behavior problems.

Implementation: The staff may identify problem behavior as conduct that is disruptive or harmful to campers or staff. The following lists examples of those behaviors which may be followed by an intervention by a staff member to provide a solution to the problem. The list includes, but is not limited to, the following:

Examples of Minor Problems: Teasing, calling names, talking back to staff, failure to cooperate, speaking out of turn, interrupting.

Examples of Major Problems: Kicking, pushing, biting, throwing things, spitting, taking other camper's belongings, dunking in the pool, acting-out sexually, non-compliance in the infirmary, destruction of camp property, and bullying.

Problem behavior that arises at Texas Lions Camp may be handled by a variety of interventions. Possible behavior interventions include, but are not limited to, redirection, natural consequences (i.e. time-out of an activity), parent phone call for positive behavior strategies, and/or a behavior contract. If the behavior continues without improvement, the parent will be called to make arrangements to pick-up the child from camp.

**WE HAVE READ, DISCUSSED, AND AGREE TO THE ABOVE CODE OF CONDUCT FOR TEXAS LIONS CAMP.**
