

Texas Lions Camp

is a summer camping facility dedicated to serving children from the State of Texas with physical disabilities, Down syndrome, cancer and Type 1 diabetes. The camp is located on over 500 acres of hills and woodlands in the beautiful Texas Hill Country. Programs at Texas Lions Camp offer campers a chance to try new activities and create long-lasting friendships while developing greater self-esteem and independence. Children eligible to participate in the summer camp program must be between the ages of seven and sixteen and have a qualifying physical disability. Children with Type 1 diabetes must be between the ages of eight to fifteen, and campers with Down syndrome must be twelve to sixteen years old.
