Registering online:

You can register a child online by going to our website: www.lionscamp.com and creating an online account through CampMinder.

1. Be sure to use the proper application. Determine which session your child may qualify for and choose the appropriate application: Physical Disability, Down syndrome, or Diabetic.
2. Fill out the entire application in one sitting, if possible. Have all necessary information for your camper handy at the time of starting the application.
3. Be sure to print off the Lion Sponsor Sheet and get it to your Lion Sponsor to sign. The Lion Sponsor then fills out the sheet, signs it and faxes it to the camp via the 888 number at the bottom of the form.
4. Be sure to print off the Physician Form for the Physician to fill out and sign. The Physician's office can then fax the form to the camp via the 888 number at the bottom of form.
