2016 Texas Lions Camp Harry Wickersham Golf Tournament
Hole Sponsorship Representatives – The Wood Family

The Wood family is “all-in” when it comes to Texas Lions Camp and their children. Both Maclane, known to all her friends as “Lanie” and Lincoln attended Texas Lions Camp the past two summers. But that is not where parents Amy and Larry Wood draw the line. Their high school graduate, Maddie is also a member of the Texas Lions Camp family, as a first time summer counselor.

To know the Wood Family, you really have to start at the beginning. Amy speaks of their encounter with Texas Lions Camp and how it has radically changed their family forever, for the better.

We have friends who sent their son to Texas Lions Camp for years as a camper and then to be a counselor. They talked to us about TLC and sending Lincoln there when he was old enough. There was no way that I could send him. He's so little and has so much physically to deal with. How would he make it? Who would take care of him the way we do?

When our family met a Lion in Home Depot and she shared about the camp and that it was for kids with physical disabilities, I knew it was the place our friend had shared with us years before. Then when she stated not only Lincoln, but Lanie would also be able to go, we started to think about it. It wasn't hard to see it would be great for both of them, and with both of them there together, it might work. We took them in 2014 and when our oldest daughter Maddie saw the counselors, the camp and the campers—she was hooked. At the awards that Friday, Lincoln was awarded the Star Camper Trophy. It was amazing. Both of the kids had a wonderful time and couldn't stop talking about going back.

Texas Lions Camp is a place that means something to our children. It is a place where they belong and other kids are just like them. They made tons of friends, accomplished great things and loved every minute of their time there. We knew that they would build on that experience this summer, and they did. Lanie was awarded a “Distinguished Camper” award and for her was icing on the cake of another fantastic summer.

After last summer, our daughter Maddie took the steps to become a counselor for 2015. She served as a wing staff member and nurtured girl campers for 9 weeks. She loved it and talks about the summers to come. The youngest kids talk about being counselors at TLC someday as well.

As a parent, you want the very best for your child. At Texas Lions Camp they provide the very best—the best activities, the best facility, the best staff and the best time our children could ever have. The first step is being the parent that provides the best opportunity, to send them to TLC. We are so glad we did. TLC has made a difference in our family.

Thank you for providing our children a place where they can be themselves and grow confidently into the people they know they can be.

The Wood Family is excited about being a part of this year's Harry Wickersham Golf Tournament for Summer 2016. For more information on how you and your team can play in the Tournament, go to the Camp Website: www.lionscamp.com and look for the Harry Wickersham Golf Tournament Tab.

Texas Lions Camp is proud to have great kids, like Lanie and Lincoln, who attend our summer camping program and our summer staff, like Maddie, who dedicate their summer to children. But more importantly, Texas Lions Camp is honored to know and celebrate families who are “all in” as ambassadors for the “Can Do” spirit, which our campers embody.
