Corporate Profile

About TLC

<u>Corporate Structure</u> - Texas Lions Camp is a non-profit, Texas Corporation headquartered in Kerrville, Texas. TLC is recognized as a charitable organization under 501(c)(3) of the Internal Revenue Code.

<u>Scope</u> - TLC has more than 26,000 constituents and 3,500 donors who support and provide the resources deployed by the organization. With more than 325 Lions participating on 10 standing committees and a voting board of directors of 92, the governance structure of TLC ranks amongst the largest of non-profit organizations in the US. More than 200 employees and 1,000 volunteers join TLC each summer in order to provide services statewide to more than 1,500 children who have special medical conditions.

Purpose

<u>Mission Statement</u> - The mission of TLC is to provide without charge, a summer camp, for children who have physical disabilities, type-1 diabetes and cancer regardless of race, religion or national origin.

<u>Goal Statement</u> - Our goal is to create an atmosphere wherein children with physical disabilities, type-1 diabetes, cancer and Down syndrome may experience the "Can Do" philosophy and achieve maximum personal growth and self-esteem.

Organizational Values

<u>Purpose</u> - TLC exists in order to invite children - who face tremendous challenges and odds due to their physical disabilities or illnesses - to step into their God-given calling. To operate out of a sense of purpose (a call) while recognizing and calling the potential of others forth are hallmarks of this Value.

<u>Organizational Excellence</u> - A collaborative effort of Extraordinary People, doing Extraordinary things while inviting others to do likewise. We value industry excellence and setting the standard for all other organizations of our scope and type.

<u>We Serve</u> – as a project of Multiple District 2 (the Texas Section) of Lions International, our culture is based upon servant leadership and providing an outlet by which Texas Lions can extend their service to families in their local communities.

<u>Stewardship</u> – Stewardship is twice the responsibility of ownership and requires a greater level of care since we deal with other's valuable possessions. This mission requires that those involved operate out of a servant-mindset and a desire to place the needs of others first.

History

TLC was founded in 1949 in response to the polio epidemic that was ravaging the lives of thousands of Texas children. Recognizing that children were losing a sense of their purpose as a result of low self-esteem, Lions began seeking how to intervene to speak a message of hope. From this simple goal, Texas Lions Camp was born.

(Over Please)

Thankfully, a vaccine was developed for polio which eradicated the disease from North America and opened the door for TLC to broaden its mission and purpose to include children with physical disabilities, cancer and diabetes. In that regard, a program for children with type-1 diabetes was added in the 1970's, a robust leasing program was added in the 1990's and programs for children with cancer and Down syndrome were added in the mid 2000's.

Operations

TLC's operations are comprised of four (4) departments on a year-round basis and an additional three (3) departments during the summer months. Each department is directed by a department head who reports to the CEO if full-time or the Director of Operations if seasonal. The professional staff is comprised of 12-18 professionals and the seasonal staff is generally comprised of 155-185 employees.
