What Is Texas Lions Camp?

Texas Lions Camp, Inc., (TLC) provides, without charge, a camp for children who are physically disabled, have Down syndrome, cancer or Type 1 diabetes from the State of Texas, regardless of race, religion or national origin. The organization was chartered as a nonprofit corporation on April 4, 1949, by the Lions Clubs of Texas and is recognized as a nonprofit corporation, under section 501 (c) (3) of the Internal Revenue Service Code. The Camp is accredited by the American Camp Association and is licensed by the Texas Department of State Health Services. The Camp also has been recognized with a Four-Star rating from Charity Navigator and is an active participant with GuideStar.

For more than 75 years, the Lions of Texas and TLC have introduced children with special medical conditions to the "CAN DO" philosophy and encouraged them to reach for new horizons and celebrate exciting, first-time experiences. Corporate sponsorships from special friends allow TLC to help some of the most amazing children share in the best summers of their lives. Through this mission, TLC's goal is realized when children "step up and step into their calling," thus allowing them to achieve maximum personal growth and self-esteem.

What TLC campers' families are saying...

"Caleb loved the safety of having his parents there but being able to go alone during the day. It was just the perfect transition to give him the confidence to want to go alone... The new cabins were amazing and exceeded expectations for sure."

"My child can't quit talking about how much fun he had at camp. He did say he wishes it lasted longer. We appreciate the staff and counselors so much!"

"Our daughter... LOVES camp so much and counts down the days until next year. No other camps even begin to compare to Texas Lions Camp."

"My daughter had the absolute best week! She was a version of herself that I have never seen before!... She felt so special and loved, and I cannot thank you all enough..."

Honoring PDG Ed Stebbins Past TLC Chairman/ Golf Tournament Founder

This **Ed Stebbins Memorial Golf Dinner** honors the late 2001-02 Chairman of the Texas Lions Camp Board and PDG for District 2-E2. At a 1992 TLC Board Meeting, Stebbins proposed to turn an informal Lions golf outing into an annual fund-raising tournament. Since its inception in 1993, the tournament has raised more than \$2 million to support Texas Lions Camp operations!

Stebbins recommended that the tournament be named for Lion Harry Wickersham, the real golfer in the original foursome, which also included Mike Butler, Marshall Cooper and Bruce Rickert. Stebbins also recruited Lion Lester Frantzen and the Fredericksburg Lions Club to help organize and operate the tournament, which they have done for more than 30 years!

In 1998, Stebbins and Past International Director Ray Hughston rode their bikes 1,515 miles from the state convention in College Station to the LCI international convention in San Diego, California, raising \$150,000 for TLC. The dedication of leaders like Stebbins and Hughston have ensured that TLC continues to serve Texas children with special medical conditions at no charge to the camper/family, and provide fun activities while building self-confidence and self-esteem.

Stebbins and his late wife, Past International Director and PDG Beverly Stebbins, were Lions for more than 30 years. Lionism was central to their lives, and they wanted to make a difference for others. That the Harry Wickersham Golf Tournament continues 32 years later shows the difference Ed Stebbins and his leadership have made on TLC. The addition of corporate sponsorships in 2018 and live and silent auctions have expanded the event statewide. New features and activities will continue to increase the financial support the tournament provides for camp operations.
